

EXTENSION TOP PLATE

ETP1200

SPECIFICATION

- ETP1200
- Light and strong aluminium plate (anodised)
 - Multiple fixing holes for holding strength
 - Comes with RGL 'easy fit' bracket system - for safer and easier installs

The ETP1200 replaces the mounting plate that comes supplied with the ML1200 range of maglocks. It allows you to install on non standard frames when fitting the maglock onto an outward opening door.

FEATURES

- ETP1200
- Suitable for use on the following products:
 - ML1200
 - ML1200-M
 - ML1200-MDS

Can be used with ABP1200 to pack out the armature if required.
